## **Proceedings of the Visit:**

### **16April2019**

On the 16<sup>th</sup> April 2019, the team of Nepalhilfe BH Germany visited JCYCN Kathmandu office and discussed on running projects and possible future collaborations

Mr. Tilottam Paudel- President of JCYCN, welcomed to the team and then Mr. Deeapk Prasad Bashyal, Nepal Project, Focal Person Nepalhilfe BH Germany facilitated the meeting with sharing the major agendas for the further discussion. Ms. Sharddha Verma,

Coordinator of JCYCN gave her presentation including intro of JCYCN, its interventions, and more focusing on Income Generation Projects progress updates. After Ms. Verma's presentation there were small round of project related question/answer session, where Mr. Paudel, Ms. Verma and Mr. Bashyal addressed the quires from Nepalhilfe Team on Project and beyond.

Right after the JCYCN's presentation there was one presentation from Dr. Prof Willi regarding how JCYCN and Nepalhilfe can collaborate in coming days in different aspects. He mostly focused his presentations related to Leadership Training to young people, where they can get academic accreditation too. And JCYCN team also got excited to have this collaboration, so common understanding developed to work on it, for that Mr. Bashyal appointed to work further to materialized the idea.

After finishing both the presentations and discussion the meeting was ended with small celebration of Dr. Prof Willi's birthday at office. During the celebration, Dr. Prof Willi contributed 1000Euro to JCYCN from his birthday celebration that really inspiring to all of us, and that money directly goes to Income Generation Project.

### 19 April 2019

Early morning, Nepalhilfe and JCYCN team hiked to the ward no 6, Kritipur IG project implemented location for discussing with the community and direct beneficiaries. After 1.5hrs hiked team reached to the community and at first community people welcomed to the team and formal discussion was started.

During the formal session Mr. Min Bahadur Soti, Ward President was facilitated the discussion. At the beginning Mr. Tilottam Paudel shared the purpose of the visit and requested to community people for sharing experience of goat farming as well as challenges/learnings during the goat farming.

After Tilottam Paudel's sharing the beneficiaries, shared their experiences with thanking to the JCYCN and especial thanks to Nepalhilfe BH Germany team for travelling long way to visit us and supporting the community during the hard time. Also Community people promised to send their children to school for their better and quality life.

At last Ms. Ingrid Baur- President of Nepalhilfe BH Germany shared about her experience working and supporting community of Nepal since 2000. She said that, she really liked the Nepali Culture, People, and Scenic Beauty of Nepal. She thanked to JCYCN for connecting Nepalhilfe with the rural community of Nepal. She also requested to the community people for sending children to school regularly and care about health and hygiene of the house and children. Lastly, she promised for continue support to the community as much as possible.

Later on, the team moved to some of the selected houses to see the progress of the goat. The team visited five houses and interacted with households as well as observed the goat shed and goats grow. And Dr. Prof Willi made a documentary with having interviewing households.

Second part of the day, the team hiked back to the town for having interaction with peer

educators from JCYCN's Girl Empowerment project. The team was visited Sakala Devi Secondary School. When the team reached to the school the peer educators welcomed to the team with singing and dancing with local cultural performance. Ms. Regina Gharti Magar, Peer Educator of JCYCN Girl Empowerment Project hosted the interaction session. After welcoming

to the team, Ms. Laxmi Siwakoti, head teacher of School shared about the school's history and progress. And then Ms. Asha BK, Ms. Sapana Paudel and few others shared their experiences from Girl's Empowerment Project. At last Prof. Dr Willi shared about the teaching and learning modality in Germany and how can we exchange the youth from two countries to share the culture and learnings which can helps for encouraging young people to stay in their own community and serving for community.
